KEOGH Consulting Announces Retirement of Company Principal and Co-Founder

Cleveland, Ohio - January 15, 2010 - Ravi Madala, President and CEO of KEOGH Consulting, a leading Supply Chain Logistics consulting firm, announced the retirement of Frank W. Renshaw, PE one of the company's founding partners who formed the company in 1983. During the course of his tenure, KEOGH successfully completed more than 800 projects for over 600 client companies across many industries in the United States, Canada, Mexico, South and Latin America, Europe, Australia, Middle East and India.

Mr. Renshaw is a Registered Professional Engineer and has served in a number of capacities during his service, including Principal Engineer, Managing Principal, and President. He holds degrees in Engineering and Business Administration. Mr. Renshaw and his wife will continue to reside in Palm Beach Gardens, FL where he plans to write for industry publications on a number of topics associated with Supply Chain Logistics, facility planning, supporting information systems, and operations improvement. He will continue to serve as a valued advisor and contributor as needed in support of KEOGH's continued growth and success.

About KEOGH
